- Assistant Professor of Education (1977-79)

Education

Harvard University

EdD 1977 (Statistics; research methods; policy analysis; higher education; organizational behavior)

Massachusetts Institute of Technology

SB 1970 (Engineering and History, Course XXIa)

Teaching

Graduate

Stanford University, Harvard University, University of Pennsylvania
Decision Analysis, Analytic Methods, Computer-Based Data Analysis, Choice, Inquiry, Information Systems, Approaching Research, Higher-Education Finance, Information Technology Management & Policy

Undergraduate (or both)

Harvard University, Massachusetts Institute of Technology
BASIC Programming, The Murder Mystery: Science and Art

Professional

Institute for Educational Management & Management Development Program (Harvard University), Directores de Instituciones de Educación Superior (Universidad de Monterrey), Frye Institute (EDUCAUSE)
Information Technology Management & Policy, Decision Analysis, Educational Technology

Professional Activities and Honors

National

- Project Bamboo (2007-present), Principal Investigator
- Association of Research Libraries Digital Library Repositories Task Force (2008-09)
- National LambdaRail Board (2003-06), Audit Committee (chair 2003-06), Branding and Trademark Committee (chair 2004-06)
